

STAR WARS PAPER MINIATURES: "NABOOBIANS"

(BLAME TIM BRESNAN FOR COMING UP WITH THE TERM "NABOOBIAN"!)

Fold miniature in half

Glue base to coin, washer, or Games Workshop base for extra support (if you don't want to spend any money, then glue them to the cardboard circles provided)

These miniatures are designed to be approximately the same scale as Wizards of the Coast's line of pre-painted Star Wars miniatures (sorry to all you fans of West End Games and Micro Machines!)
